Re: Request for Information for the Jackpile-Paguate Superfund Site

Dear Ms. Kezos:

On July 30, 2010, the U.S. Environmental Protection Agency (EPA) received your request on behalf of the Atlantic Richfield Company for a second extension to respond to the Jackpile-Paguate Superfund Site 104(e) Information Request. The deadline had previously been extended to August 9, 2010.

An extension to September 24, 2010, has been granted. As mentioned in your telephone conversation with Mr. Kevin Shade, EPA can accept an initial response to the Information Request followed by a supplemental response.

On July 15, 2010, Mr. Shade requested that an agreement be provided prior to the deadline to respond to the 104(e) Information Request. The EPA appreciates your cooperation in locating and providing the document on July 30, 2010.

If you have any further questions, please contact Mr. Shade at (214) 665-2708 or shade.kevin@epa.gov. Thank you for your attention to this matter.

Sincerely,
